Nicholas de Jongh, 'Thousands join protests against section 28 curb on gay rights', *The Guardian*, 2 May 1988

Rachel Spence, 'The queer magic and rage of Derek Jarman', *The Financial Times*, 18 December 2021

This article references the word 'queer' in relation to the work of artist, film-maker and political activist, Derek Jarman. Jarman was influential in reclaiming the use of the word 'queer' from its derogatory historical use. He viewed its use as 'a liberation', a more fluid way of identifying and an alternative to binary labels and categories of sexuality and gender identity.
